LACK OF OWNERSHIP KILLS YOUR TEAM'S PERFORMANCE

BEGIN

Do you know **why you never wash a rental car?**

**Because you don't own it,
and the same applies to the team you lead.**

If **they don't take ownership of their jobs**, then guess who does?

You do, and then you start doing more of their jobs, and less of yours!

**START DOING
MORE OF
YOUR JOB
TODAY**

"WHY YOU NEVER WASH A RENTAL CAR"

Mark's popular keynote delivered in over 50 countries across the world.

Mark Fritz mentors ambitious executives globally to get their people to OWN IT!

**Deliver the performance
you know is possible!**

Mark has lived and worked across the world (Singapore, Egypt, Netherlands, Italy, Japan, UK and the USA), and now lives in London. He is the author of '**Lead & Influence: Get More Ownership, Commitment, and Achievement from Your Team**', and knows how to lead **CHANGE** and to get your people to **OWN IT!**

Mark's stories and examples trigger your own memories, making it highly relevant and helping you see how you can become the leader you want to be faster (and from tomorrow).

WHAT CLIENTS HAVE TO SAY...

*"Mark Fritz is an exceptional presenter on the subject of leadership and influence. He has a wealth of knowledge and practical experience, as well as great energy and enthusiasm. He has now presented at a number of events for us and has **consistently received some of the highest ratings** we have ever had for an external speaker"*

David Jones,
Vice President Dimensional
Fund Advisors Ltd

*"Mark is one of those exceptional and rare teachers that leaves an indelible footprint on corporate executives minds. **He has a unique way of addressing complex subjects, making them seem common issues.** Mark's breakthrough talks are so full of passion and energy, that they inspire and change people's way of looking at key management and leadership concepts."*

Paula Marques,
Head of Custom Solutions,
Porto Business School

*"Mark Fritz is a rare talent - **able to entertain, engage, inspire and teach at the same time!** I have invited him to present his workshop 'The Power of Ownership' three times in the last year and I have witnessed the remarkable impact he has had on seasoned CEOs, ambitious MDs and aspiring executives. Genuinely life-changing!"*

John Watkinson,
Vistage Chairman and
High Impact NED
