

### **POWER OF BEING WELL-PREPARED**

We don't always appreciate the attention to details, but we are well-prepared.

### **NOT ALL ACTION IS EQUAL**

Action in the direction of your goals is what moves you forward.

### **LARGER VISION OF WHAT'S POSSIBLE**

We can never hit a target that we are not aiming at. It's time to think big.

### **MASSIVE SHIFT IN THE STORY**

Until we get specific, we never apply ourselves in a focused way to achieve it.

### **VISION IS REALLY A PERSPECTIVE**

Perspective of the people creating the vision impacts how aggressive it will be.

### **DIFFERENT DELIVERS**

The slow path to achievement is to surround yourself with people just like you.

### **LEVEL OF YOUR RELATIONSHIPS**

We grow and achieve success based on the level of our relationships.

### **SEE IT AS COMPLETED IN YOUR MIND**

Every great achievement has been first pictured completed in the leader's mind.

### **UNDERSTAND WHY**

Your power to achieve it is related to how you have defined WHY you want it.

### **FILL IT WITH EMOTION**

Emotion powers drive and discipline to take ideas from thought to achievement.

### **HOLD TIGHT TO THE VISION**

In unpredictable times, hold tight to your vision and just adapt your approach.

### **ATTRACT THE ENERGY OF OTHERS**

The successful describe a powerful vision that attracts the energy around them.

### **LIFT YOUR VISION**

Lift your thinking beyond the horizon (to where you make a bigger difference).

### **VISIONS REQUIRE HEART AND HEAD**

Visions having both the heart and the head engaged reach their full power.

### **WIDE VISION AND NARROW FOCUS**

A wide vision sees all the opportunities and a narrow focus exploits the best.

### **WHY BRINGS POWER TO THE HOW**

Always reinforce the WHY in your mind before focusing on the HOW.

### **ACHIEVEMENT LIST VS TO DO LIST**

People with an achievement list get creative on how to achieve it faster.

### **CAN TO WILL TO DO**

We think we can....we decide to do it...but we achieve nothing until we DO it.

### **VISION AND PASSION**

For the successful, vision provides the direction and passion provides the fuel.

### **IT'S VISION AND EXECUTION**

Achievement is moving in the right direction and making progress all the time.

### **COURAGE IN THE VISION**

Delivering a vision needs change. The courage to deliver it during difficult times.

### **WHAT YOU PICTURE, YOU CAN ACHIEVE**

A strong picture creates a powerful focus and opportunities become more visible.

### **BIG DREAMS/ ACTION ATTRACT BIG**

Big dreams and big action will attract the big people who will help you achieve it.

### **VISION = THE FUTURE YOU CAN CREATE**

A great way to look at the word vision is that it is the future you can create.

### **WORTH TAKING A RISK FOR**

Why not build a vision of your future life that's worth taking a risk for!

### **VISION BEYOND WHERE YOU ARE**

Move from seeing only what you are doing to what you could be doing.

### **FLEXIBLE ENOUGH TO ADAPT**

Stay focused on what you want, and adapt your approach until you achieve it.

### **HAVE A STRONG SENSE OF DIRECTION**

Remember, direction drives achievement and of what you really want.

### **CHIP AWAY WHAT IS NOT IMPORTANT**

Constantly chip away those activities that don't help you achieve your potential.

### **LOOK INSIDE AND FORWARD**

Decide the person you need to be in order to get what you want to achieve.

### **OWN YOUR BEHAVIOR**

The people who achieve great success OWN their behavior. It's just a decision.

### **DON'T ABANDON THE VISION**

Don't abandon the vision, just change the strategy/actions to find another way.

### **SEE YOUR VISION IN THE PRESENT**

See your vision in the present and take action as if you are already living it.

### **VISION FIRM, PLAN FLEXIBLE**

Be firm on the vision and flexible in the plan to make the vision a reality.

### **VISION WORTHY OF YOU**

Have you defined a vision worthy of your abilities and your potential?

### **WILL TO FEEL THE FEAR**

To achieve anything great, you need to be willing to feel the fear (be in the game).

### **COMMIT TO ACHIEVE BEFORE STARTING**

Success in everything comes when we commit before we start.

### **STAY TRUE TO YOUR VISION**

Stay true to your vision and adapt your strategies to deliver in a changing world.

### **UNTIL SOMEONE HAS A VISION**

There is no direction in anything until someone has a vision.

### **NOT LIMITING YOUR VISION TO TODAY**

A vision based on reality is never powerful enough to truly make a difference.

### **HOLD YOUR VISION IN YOUR MIND**

The more you hold your vision in your mind...the more it influences your actions.

### **DETERMINED TO DO YOUR BEST**

You will achieve more in life when you are determined to always do your best.

### **JOURNEY IS PART OF THE REWARD**

Achievement is a reward...but don't forget the journey is the bigger reward.

### **IT'S CAN'T ALL HAPPEN RIGHT AWAY**

Patience is necessary if you are to achieve big complex projects smoothly.

### **SET THE BAR HIGH**

You can only achieve to the level you aspire to...so set the bar high.

### **BELIEF IN WHAT CAN BE**

A passion for the vision is really a belief in what can be.

### **VISION THAT WILL OUTLAST YOU**

The most powerful visions will carry on well beyond your life time.

### **CHANNEL YOUR NERVOUS ENERGY**

Channel nervous energy into your personal growth and you will achieve more.

### **STAY FOCUSED ON THE WHY**

The fuel to achieve anything is why...the ingredient in ever successful initiative.

### **MAKE THE NECESSARY CONNECTIONS**

Your connections are what enable you to get the right help to achieve your goals.

### **GET HELP WRITING THE SCRIPT**

You can never create a powerful vision without the help of others.

### **WHAT WILL IT TAKE?**

A great question with a clear vision...What will it take to achieve it faster?
